

SHORT SYNOPSIS

A picked-upon high school girl and her bullying peers are terrorized by an escaped psychotic killer who is more than meets the eye.

Medium Synopsis

17-year-old Emily's father Thomas snapped eight years ago, and murdered a dozen people including his very own son, a toddler. Emily and her mother survived the horrific tragedy.

Today, the anniversary of these events, is a particularly tough day for Emily to bear the antagonizing of her peers. Today is a tough day for Emily to be picked upon for her dark doodles, and today is a tough day to be suspended. But today is about to get tougher, for a dangerous maniac has escaped, and that maniac appears to be Tom, Emily's dear old Daddy. Tom is coming back to finish the job, as Emily spends the night home alone caring for her mute little brother, Jeremy.

Or is he? The horrific visions we have of Tom come to us through Emily and her drawings. He may be no more than a fantasy, as he murders a farmer and his wife who conspired to abuse him for profit.

When Tom appears at the door, the dark fantasy turns deadly and Emily is forced to confront her demons once and for all.
