

Arianna

Short

In the heat of the silent summer afternoons Arianna spends at the family's hunting lodge in Tuscany. She starts inquiring about her body and her past, to finally face the true nature of her sexuality and identity.

Long:

At the age of nineteen, Arianna still hasn't had her first period. The hormones that her gynecologist has prescribed don't seem to have any effect on her development. In the heat of the silent summer afternoons she spends at the family's hunting lodge in Tuscany, she starts inquiring about her body and her past, to finally face the true nature of her sexuality and identity.
