

## **Deep in the Wood**

### **Short Synopsis**

A child disappears from a small village, the father is suspected of killing him, but the body can't be found. Five years later, a little boy is found, abandoned; his DNA matches Tommi's, the missing kid. But his mother isn't sure it's him.

### **Long Synopsis**

When young Tommi goes missing during a festival in the mountains in 2010, his parents are devastated. Five years later, a boy is found with no name or records; DNA tests prove it is Tommi. But while Tommi's father Manuel welcomes him back with open arms, his mother Linda is not convinced that it is her son. Who, or what is this child. Suspicion and superstition permeate the air of this eerie mystery thriller.

### **Dish Short Synopsis**

A child vanishes from a small village and five years later is found. His DNA matches the missing kid but his mother doesn't believe it's him.
