

## I Am a Teacher

### Short:

A mild mannered school teacher, whose village is occupied by the fascists must face an uneasy choice; adapt to the new regime or fight for his family, love, ideals and his beloved country.

### Long:

Pavel is a mild mannered school teacher, whose village is occupied by the fascists. He believes in such basic human values as love and family. However, in this time of war, as the enemy shows its true face, he must make an uneasy choice to either survive and adapt to the new regime or fight for his family, love, Homeland, ideals and beliefs.

### Dish short

A mild mannered teacher, whose village is occupied by the fascists must accept his new life or fight for his family, country and beliefs.
