

## CUP OF CHEER

**Logline:** When a big city woman literally runs into a small town grump they begin a cheesy Christmas romance exactly like everything you've ever seen.

**Short Synopsis:** In a comedic shakeup of every cheesy Christmas movie you've ever seen, a big city journalist goes to a small town for the holidays and finds herself in an unlikely romance with the owner of a struggling hot cocoa shop.

**Long Synopsis:** CUP OF CHEER is a ridiculous and laugh-out-loud-funny satire of every cheesy Christmas movie you've ever seen. The film follows Mary, a big city journalist who heads off to her charming hometown of Snowy Heights to write an article about the town's world famous Christmas cheer. But upon (literally) running into the grumpy but endearing Chris, the owner of Cup of Cheer, Mary learns that his charming hot cocoa shop is going to be shut down on Christmas Eve. And it's her ex boyfriend that's shutting it down. Using her big city smarts and her Christmas cheer, Mary unites the town in an effort to save Cup of Cheer, and to save Christmas.
