

## **The Girl Without a Phone**

**Logline:** Two high school misfits discover their lives are controlled by the forces of fairytales.

**Short Synopsis:** Lily is the only girl at school without a phone. That is until she finds one in the recycle bin - a magical phone that transforms her into the popular girl she always dreamed of being - new friends, new looks, a boyfriend. Her best friend Sierra believes the power of a fairy tale is at work - and when the phone dies the spell is broken. Lily soon realizes she can't live without her new phone. But when Sierra secretly steals it back, Lily discovers she never really needed it, or the boyfriend. The confidence the phone gave her was within her all along.

The forces of fairy tales continue to infiltrate the lives of Lily and Sierra and all their friends and foes at school. They discover love and adventure and help others find it too.

**Long Synopsis:** In this series, 2 high school misfits, Lily and Sierra, discover that fairy tales are mysteriously influencing their lives.

It all starts when a magical phone transforms the life of Lily, the biggest loser at school. Sierra is convinced a greater force is at work: the Cinderella Phenomenon. The phone has her under a spell, giving her the life she always dreamed of. But in the end her prince proves to be less than charming.

In The Frog Princess Sierra accidentally agrees to go out with Charlie, the weirdest boy at school. She's too nice to break up with him, so she and Lily hatch a plan: to get Charlie to dump HER instead. Their plan backfires however, and Charlie falls deeper in love. Sierra finally uses a big lie and gets Charlie to call it off. But her victory is bittersweet. She has now fallen for him - and sings him a love song to win him back.

In Snow White Queen Nikki is the fairest (and most popular) girl at school. Social media confirms it. But when Lily's modest instagram account suddenly blows up, Nikki goes to great lengths to retake her crown. With the help of her father (the school principal) Nikki has Lily banished from class and sent to study with a group misfits on the school improvisation team - "The Northside Gnomes". And when Nikki's boy toy Steve starts falling for Lily, Nikki destroys Lily's phone. But Lily's kindness proves too much for Nikki's evil.

A "Rapunzel" story finds Lily and Sierra's boyfriends trapped in a tower - or rather a science classroom - as an evil teacher is forcing them to prove that their science experiment - a time machine - can actually work. Lily and Sierra set out to save them and trick the teacher with a time travel prank.

In Sleeping Beauty Nikki's best friend, Jenny, bumps her head and forgets that she's supposed to be mean. She ends up befriendng Lily and Sierra and falling in love with Elliot, the happiest guy at school. But Lily and Sierra - realizing that a kiss could break the spell and make her mean again - do everything in the power to stop it from happening.

Nikki is the homecoming Queen - and the Beast - in Beauty and the Beast. Wanting to promote her self brand as a popular girl, she blackmails handsome football quarterback Chris into being her date for the dance. But Chris's kindness proves too much for her evil nature - and her castle walls crumble. As she pretends to be his girlfriend she begins falling in love. Chris starts to see the real person behind the beast - and soon their "pretend" relationship turns into something real.

In Aladdin, Lily and Sierra discover a new friend, Jeannie, who pretends to be dumb in order to fit in. But Lily and Sierra soon discover she's actually a closeted genius - who has been hiding an incredible science experiment. The girls convince Jeanie to enter it into the science fair. But instead of getting into the fair, she ends up getting beamed inside her phone. With Jeanie now trapped, Lily and Sierra must seek out Jeanie's childhood crush - and fellow science geek - to help get her out.

In a Christmas Special Sierra finds herself down in the dumps because her boyfriend Charlie couldn't make it back for the holiday. She won't go carolling with her friends. But fortunately Charlie arrives just in time with a special song to cheer her up.

In The Golden Play Button Sierra finds a YouTube plaque and leaves it with Lily for safe keeping. But Lily trades it away for a useless phone as if it were Jack's magic beans. The girls set out on a wild adventure to find it and return it to its rightful owner.

Cinderella 2 shows that happily ever after isn't as easy as it seems. After falling in love in the Snow White Story Lily and Steve's commitment is put to the test as Steve is sent on a yearbook assignment to cover the high school cheerleading competition.

In The Princess and the Pauper, Victoria, a popular girl at school, is being forced into a romantic relationship with Brendan, a womanizing jock. It seems there's no avoiding it, until she bumps into Jamie, a home schooler who arrives to take an exam. After discovering that Jamie could be her twin, Victoria gives her a make over and trades places. She sends Jamie off to a party where Brendan is set to ask her out. But things get complicated when Jamie discovers that Brendan is actually a terrific guy. She refuses to let Victoria dump him and discovers a deeper secret as to why she wouldn't go out with him.
