LONG SYNOPSIS

Christmas celebrations at Chatsworth Hamilton Women's Prison are forbidden because Warden Dungworth is a total Scrooge when it comes to the Holiday Season. Her dearly departed but cantakerous mother, Mabel, comes back in spirit form to teach her a few lessons about the true meaning of Christmas. Meanwhile, inmates Nezrenko and Ruby LaRue bust out to sing some carols, steal a tree and bring Christmas back to Chatsworth. Chatsworth guard and eco-warrior, Tiffany Fluffer is totally losing it because, thanks to an Al Gore speech, she's convinced it's going to be a green Christmas - Oh ye of little faith, Tiffany! Pip's Santa buddy turns into drunk Santa and drunk Santa turns into a very naughty Santa. Former matinee idol and Chatsworth culinary artist Ol' Granny BJ puts together a Yuletide feast, serving up her famous Key Lime pie sprinkled with Anchovies. Yum!
